The President's Message

Rick Bonebright, President 2021-2022 rcbonebright@gmail.com

I want to thank everyone for participating in the 2022 Glendive Endurance Run. As many of you know, I spent this time caring for Char and could not be at the Endurance Run. I'd like to give our Vice President, Brandon Langel, a grateful thank you for running the inspection and meetings in my absence. Thanks Brandon.

Big Thank you's:

Thanks to Mike Kosser for contributing to the picnic expenses. Kosser has been a friend and contributor for many years now and most of us are using his ECCT coil Tester. Some of us have his E-Timer and I-Timer as well. <https://modeltecct.com/>

Thanks to our timers, Megan and Aaron Teates, Heather Robison, Carla Carnegie, Levi Dyckman, Kathleen and Gary Ebbert, and to our trouble truck drivers, Stan and Willy Langel, Ed Delach, Paul and Donna Shindlbeck.

Other: Be thinking of where to locate next year's Endurance Run. When you nominate a city, try to include:

- Dates for the Endurance Run. Motel-Hotel accommodations, detailed route, gas station stops, bathrooms, fast-food lunch or sack lunch locations. Include leg milage estimates between pit stops, total daily, and total final milage.

Proxy and Electronic Voting. On Saturday, October 15, 2022, we will plan on emailing a link and password to enable participation of members that are not attending in person.

Rick Bonebright, President, 2021-2022.

Montana Cross Country “T” Association
A Schedule S nonprofit Montana Corporation
Founded in 1961

Background:

The Ford Model T was voted the “Car of the Century” which was an international award given to the world's most influential car of the 20th century. The election process was overseen by the Global Automotive Elections Foundation with a narrowed field of 200 cars. The winner, the Ford Model T, was announced at an awards gala on December 18, 1999 in Las Vegas, Nevada.

The Montana Cross Country “T” Assn. is dedicated to rebuilding, refurbishing, preserving, and proving stock Ford Model T’s. In some cases, members fully restore these cars to a “new car status” in most every aspect.

The Assn. also allows the above Model T’s that meet written safety requirements to be endurance-tested at their annual runs. The Montana 500 is sort of a proving ground for the owner, engine builder, chassis builder, and electrical systems builder.

We highly recommend that you get yourself a Model T and join these endurance runs. Expect to have some old school (or new school) fun. It is a friendly helpful atmosphere.

Membership Information:

Active Membership includes all the privileges of the Association including issues of the Montana 500 Newsletter. Annual dues are \$10 and entitle the member one vote at meetings. Touring & Endurance class: \$35.00/Run. Current members and those wanting to become members should send a check to: Attn. Treasurer, Janet Cerovski 1004 Sioux Road, Helena, Montana 59602.
